“ *Matt found joy and adventure in the outdoors and nature. He loved the mountains and camping. His life growing up in Florida afforded him time to spend exploring the most beautiful beaches in the country. Matt was very active and always on the go.*

*A few silly memories I hold dear include how he ran around on his tip toes as a young boy. He was so cute! On my many trips to see Heidi we liked to stay at a hotel near the beach (a business expense!). Matt and his Aunt Penny almost always joined us which made for good times and lots of laughter. One such trip we were leaving a nearby restaurant and i threw the rental car keys to Matt and asked if he wanted to drive back to the hotel. Heck yeah!!! Excited to be behind the wheel that precious 16 year old boy cautiously took the long way back!! He beamed with pride as we all praised him for his skill. Matt had a grateful and loving heart.*

*'You will be missed but never gone from my heatt. God's speed, Matthew.*
