“ Aunt Maxine, or Aunt Toots as we called her as children, will be missed dearly. She was the fun aunt we all wanted to spend time with. She was always taking care of someone; from nieces and nephews, to our Grandparents as they aged, our dear Uncle Richard til he passed., then our Uncle Butch at the end of his life. She was always there when needed.

Aunt Maxine always had a shoulder or an ear to lend. She brought fun and laughter with her to any gathering. She never failed to keep in touch with distant relatives and my Mom so looked forward to weekly calls, letters, and cards from her sister Maxine. Maxine truly held our family together. May God bless and keep her til we meet again.
