“ Just thinking about my best friend. . .she was as close of a sister you could get. Big heart, caring and always looked out for everybody except herself. She is the missing part of my heart and will always, always be remembered. Love you Max

“ Maxine was my Best Friend, we meet in 6th grade. She would do anything for anybody. She was a very beautiful & loving person. She loved Alvin so much & was more worried about him. She told me she was not afraid because she knew the Lord Jesus christ & she was ok with that. I will miss her smile and her kindness 🌹 .
Condolences to her husband Alvin and her family. God bless them and help them get through this very sad day. Maxine wants everyone to please celebrate her life with happiness and a smile. 😊
She will be missed, may she Rest In Peace. Love you my Best Friend I will see you some day. ❤️
