“ *Michael is one of the greatest individuals we have ever met. We met Michael over seven years ago. Every time we have seen Michael he has always had a smile on. We do not believe that we have ever heard Michael speak harshly about anyone or anything, he was always positive. Michael had one of the greatest loves for his family and was a true blessing to us. We are so thankful that God brought the entire Chow family into our lives. We want to let Michael, Malia, Kahilena, and Waika know that we love you all very much. We will always think of Michael with the greatest respect and love. We miss him very much. John and Judy Crabtree*
