“ I remember Michael, his older brother Tony and his sister Tina growing up in San Francisco through the connection of St. Anthony's school on Folsom and Precita St. I remember his parents too, Sue and Joe as well. I also remember their dog Buster, this was back in the 70's. I have fond memories of all of them. I hope that Tina and Tony are still around, my sister Mary, brother Jason, and I, Jamie Marrow, would love to hear from them. We had lost contact a very long time ago with them when they had moved away. RIP dear old friend
