“ Dear Mr. "Daddio" and Mrs. Padilla and Lisa,
I'm shocked and deeply saddened upon discovering that Benny has passed away. I worked with Ben at Covalent and continued to be his friend over the years. We shared a love of music and reclusivity. So, when I didn't hear from him, I didn't think that much of it, as he'd gone radio silent before. But, I honestly can't believe he is gone. I'm so terribly sorry for your loss. Ben was one of the good guys in this world. I know he's in heaven playing with his beloved hounds and feeding them cheeseburgers. Please feel free to contact me if there's anything I can do in his honor. I don't even know where to a card. Dumbunny@sbcglobal.net

I had the pleasure of working with Ben and staying in touch as we all went our separate ways. I knew Bend was a special person from the time I first met him. I know he loved his hounds and his music. I am sending prayers for Ben's family who he loved so much.
