

## Michelle Marie Hill

December 14, 1969 - February 8, 2021

Michelle Marie Hill passed away on February 8th, 2021 at age 51.

Michelle was born on December 14th, 1969 to Cindy Graham and Paul Blakely in Southern California. She graduated from Faith Baptist High School in 1988, and attended Pierce Community College. In 1991, Michelle had her first son, Cole. She had her daughter Megan 22 months later, in 1992.

In 2001, Michelle, Cole, and Megan moved to Clovis, CA, where Michelle continued her career as a Registered Dental Assistant. As a single mother, Michelle poured her heart into raising her two children. She was able to purchase their first home in 2003.

Michelle met Darren Hill through a mutual friend, and they married one year later in 2007. In 2008, Michelle and Darren welcomed Seth, their beloved son, and brother to Cole and Megan.

Anyone who knew Michelle, knew how much she treasured her family. She deeply loved her husband, and she was immensely proud of her three children. In the last few years, one of Michelle's greatest joys was seeing who two oldest children marry, and becoming a grandma to Knox. Words will never be able to capture how much she will be missed.
