

Mikel Joseph Harper

July 3, 1974 - March 3, 2025

Mikel Joseph Harper
July 3, 1974-March 3, 2025

With profound sadness, we share the passing of Mikel Joseph Harper on March 3, 2025. A devoted Christian, husband, father, son, brother, and friend. Mikel was a man of unwavering strength, boundless love, and an unbreakable spirit. He was born in Daly City CA and laid to rest in Visalia CA.

For 3,306 days, Mikel fought cancer with incredible courage, never allowing his diagnosis to define him. He faced every challenge with grace, resilience, and a determination that inspired everyone who knew him. Even in the hardest moments, he found ways to uplift those around him, proving that his spirit was stronger than any illness.

Mikel had a rare gift for making people feel truly seen and valued. His laughter was infectious, his kindness limitless, and his love for his family and friends immeasurable. He cherished life's simple joys-early mornings with the Bible and coffee, music that spoke to the soul, long talks with loved ones, and moments of quiet peace.

He leaves behind a legacy of love, strength, and unwavering hope. Though his time here was too short, the impact he made will last a lifetime. A

celebration of Mikel's life will be held March 16, 2025, at 1:00 pm located at The Eagles Lodge in Exeter CA., where family and friends will come together to share stories, memories, and love in honor of a truly epic man.

Mikel, you fought with everything you had, and you did it with grace. You were deeply loved, and you will be missed beyond words. Rest easy, warrior. Your fight is over, but your legacy lives on through your children Jacob, Joseph, Jerod, Catrina, and two miracle babies Paisley and Presley.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto www.salseranddillard.com.
