“ Aunt Tootie, Linda, Bob, Jo, Dan & family,

Three things that stand out when I think of Uncle Tony is his big black cowboy hat, his joke telling & his loyalty to family. You always knew when you went to Aunt Tootie & Uncle Tony's house, there would be lots of good food & lots of laughs.

Thank you all for sharing him with us & will miss him so much, but will always have wonderful memories of Uncle Tony.

*We love you so much,
Scott, Terri, Josh & Tyler*
