“ *Today, December 17th, I'm sitting here watching this beautiful video of my precious Monica. I can't believe it that you are no longer with us. My heart is so broken just to know you are no longer with us. You always knew that Nina loved you so much, because every time I saw you I would give you a hug, and tell you, "Mija, I love you so much!" You'd giggle, and in your soft shy voice you'd say. "I love you too," But now you are in heaven rejoicing with Grandma and Grandpa. You are in peace. No more suffering mija... You will forever live in our hearts! Until we meet again my precious angel...*

“ I just want to share a few words about my sister Monica. She was a loving wife, mother, grandma, daughter, sister, auntie, and friend. Monica was the heart of our family the one who loved to cook, entertain, and bring everyone together. She spent 28 beautiful years with the love of her life Frank Sierra and together they built a beautiful blended family filled with love, her daughter Samantha Campa, Frank’s two sons Anthony Sierra, Raymond Sierra and daughter Kayleigh Thompson and their seven grandchildren.

Monica had this way of making everyone feel special, she’d feed you, make you laugh with her infectious laugh and somehow you would always stay longer than you planned. She loved her family, loved her Keno, and loved to curl up with a good book. Reading and 80’s movies was her quiet escape. Summer was her absolute favorite season. If it were up to her, it would be summer all year long. She was happiest surrounded by sunshine, her family, good food, and laughter.

She truly was the glue that held our family together, and her love will always be part of us.
