“ *Nancy, even through time and space separated us but when ever we run into each other you open your arms to embrace me and laugh like we had never been separated. Thank you for dropping by the house several months ago and the phone calls. I miss you, just knowing it will be a while before I hear your laugh.*

*Joe, time never separated us from caring for you and you and your family. My heart is broken for you and your families. Prayers and comfort from our Lord Jesus. Soon and very soon we will all see the King and be reunited.*
