

Nancy Jane Lynn Haskill

October 19, 1935 - January 19, 2024

We are sad to announce that our mom and Grandma, Janie Lynn Haskill, passed away on January 19, 2024.

Janie was born on October 19, 1935 in Pasadena, California to Loren and Dorothy Lynn. Janie grew up in Southern California and attended Mt. San Antonio College and Whittier College, where she received her bachelor's degree. On December 19, 1958, she married her husband, Bill, and they started their family in West Covina, CA and welcomed two sons, Rick and Tim.

Bill and Janie relocated their family to Visalia in 1972. Janie's true passion in life was teaching - something she dedicated over 30 years of her life to. She was a teacher in Visalia for many years. Janie received her master's degree from Fresno State, ultimately becoming a school assistant principal. She retired from Visalia Unified School District as an administrator, and upon her retirement, she continued to sub as an administrator within the school district. Janie had a heart and love for teaching and impacted the lives of countless students, teachers, and administrators throughout her long and fulfilling career.

Janie and Bill spent their retirement years traveling to many car shows with their beloved 1955 Thunderbird. Janie enjoyed reading, doing puzzles, visiting

with her family and friends, and her pug dogs. Janie had a profound love for her family and she beamed with pride whenever she spoke of her grandchildren. Janie was a passionate woman, and she will be deeply missed by her family, friends, and all who knew her.

Janie was predeceased by her husband, Bill Haskill, and sister, Debbi Merritt. She is survived by sister, Patricia Carroll; son, Rick, and his wife, Kathy; son, Tim, and his wife Stacie; grandchildren, Kirk (Kristin), Jennifer (Patrick Dotsy), Tanner, Gunnar (Erin), and Makenna; and numerous nieces and nephews.

The family would like to extend their deepest appreciation and thanks to the staff at Quail Park EAL for their compassionate care.

“ *Janie was such a fun person. She had a great sense of humor. I met her years ago when she was teaching at Mountain View School. And years later, worked with her at Washington School when she subbed for the principal there. She had such a wonderful way with the students and teachers. I'll miss her.*
