

Nancy Abelar

July 4, 1955 - January 5, 2021

Nancy Abelar, age 65, passed away peacefully on January 5th, 2021. She was born on July 4th, 1955 in Los Angeles, CA and has been a long time resident of Visalia, CA.

Our loving and caring mother Nancy Abelar was an amazing woman who went with the flow of life and always wore a smile on her face.

She loved arts and crafts, was wonderful at crocheting and had a special place in her heart for cats.

She is survived by her two daughters, Misty-Dawn Reitz, Tracee Lynn Bradley, two grandchildren, Christopher Daniel Bradley and Caitlyn Beltran. They were her whole world.

She will be forever loved and missed by many. She touched many lives and her spirit could light up a room.

Thank you to all of the nurses and doctors who have helped our mom throughout her illness. A special thank you to Nadine Kelly and Irma Macias who cared for her so well in her final months of life. Your compassion and help will always be remembered. Also our thanks to Dr. Shyam Bhaskar who took such genuine care and time for our mother.

Now momma, you can finally rest and escape from the pain.

A private service will be held

“ Love you forever momma. I will miss you everyday and miss our talks we had and how much you loved and believed in me. I will try to be strong and know you are in a better place. You will be with me forever and I know you'll now be watching over me.
