“ *Always brightened my day even on the most stressful occasions. I will miss our inside joke - She could be the "kind dictator" solving all the worlds problems with hugs and love. Work is just not as bright without you. - Marley B.*

Work won't be the same without Nastassza. A life that was taken way to soon. I will miss her beautiful smile and her sweet laughter yet just a little mischievous. She always stayed to help the Target team every time I asked her she was quite the team player. I will miss her dearly and I'm praying for her family and friends. Love Sue Snodgrass

Always looked forward to our talks in the break room. Your beautiful smile and laugh will be missed so much. you were such a free spirit. You were the first person I talked to on our first day and you left an impact on me and everyone around you. I will miss you so much.
