“ *My Deepest Condolences Sent With Love To My Aunt Tina & Family. I have many beautiful memories with all of you, from our family camping trips, family board games, reading books together, hearing such beautiful laughter together. One of my many favorite memories would be the love you both shared with all of us in life always uplifting. I will forever treasure all our beautiful moments in my heart. Here is to My Uncle Nick taking us flying in his airplane where when I was a child, I use to gaze into the clouds and imagine touching them while with visions of being able to take a peek into Heaven and just marvel at its beauty. Now My Uncle Is In Heaven Keeping A Close Watch On Us All, Until We Meet Again Save A PLACE For Us!! Love all you guys even though we are miles apart I send you all my love and positive vibes always in life. Mr Luis. & Mrs. Yesenia Carrasco. Aka.... Your Niece Jessica all the way out in Louisiana. My Mother Teresa aka Terry Sends Her Condolences & Love. I hope you received my letter Aunt Tina I love you. I loaded a beautiful picture of you both and one of me so you know who's is sending you this loving message. I will be watching online today although the world may seem a blur right now because of the pain your heart feels over the severe loss of your soul mate Aunt Tina just please always remember that all of us are here for you. Death has no regards to whom it destroys along the way, but just keep in mind it always leaves so many casualties behind like crimson stains upon the wounded souls that are blowing in the wind.... words from the heart love your Niece Yesenia*
