“ I will never forget my dear sweet Nicole. She taught me more about life and more about love than anyone. When we met, July 4th, 2014, I was in a very dark place emotionally and mentally. She saw something in me that somehow I had lost. She stuck with me and brought me through it. She loved me when I was unlovable even to myself. She both encouraged and admonished me when needed. She never let me "just slide by" on anything.

*I loved her as much as a man could ever love a woman. She was not only pretty on the outside, but beautiful on the inside. She was one of the strongest individuals I have ever known.*

*I know she is in Heaven now, but I so wish she was at my side. We were looking forward to spending our lives together. Rest in peace Nickie, I will see you in Heaven some day and we will spend eternity together. I LOVE YOU.*

*Yours forever,  
Russell*
