“ *I worked with Nicole at VB, however I have known her since she was a teen when I attended Calvary Chapel of Visalia. I also worked with her at Cavale and Taylor for a short period and also attended her wedding. A memory I have of her when I worked with her at Cavale and Taylor, it was Christmas and she was laughing and telling me that her mom found the perfect Christmas tree for the house and how huge it was. She said her mom (Connie) always decorated their house so beautiful for Christmas. Nicole, was a beautiful soul.*

*I rejoice, for I know she is in the presence of our Lord. But, I mourn for your loss.*

*with my deepest condolence,*
