“ Bert, you & I went around the block a couple of times, but in end, I hope you considered me a friend.. I am so sorry you died so soon after retirement because I knew you had lots of plans to enjoy life to its fullest. Your family meant everything to you & you talked to me about them often. Margie, he left too soon & I know you had fun with your children & grandchildren. I know he would want you to move on with your life. You will always have the memories you shared with him

“ To my aunt Margie and my sweet cousin's... I am so sorry to hear of the sudden loss of your dad -my uncle.I know that the time is hard to be without him but we all know that you will one day be together again. He is a sweet man and is doing a great work somewhere else. Unfortunately that doesn't help you now as you mourn his loss. I will be praying for your family and I have been since I heard the news. I love you all and this is the time for family to come together. If there is anything I can do for you or if you just need a break and want to come and visitplease do.

“ To Margie and family: I worked for Bert many years ago, first downtown when we were Human Resources Development and later moving to Mooney and changing to EDD. Although I have not seen him for years, I am truly sorry for your loss. Margie, I am still making your zucchini casserole that Bert brought to one of our office potlucks and my family still loves it. The recipe is on the 3x5 card you wrote out for me when I asked for the recipe. Thank you!
