“ *My friend.....you will be missed !! You lived your life for your family and that always is worth so much more than some will ever know. Loved our visits and talks. I know you're at peace, but a part of you remains on the earth in the hearts of all who knew you. Now, my thoughts and prayers are with your grandsons and daughter as they struggle to find the ability to accept your passing. I pray they will find comfort, peace, and know that you loved them all very much.*
