“ One of my earliest memories of Aunt Pat was when she was on a float as either the queen of the Woodlake Rodeo or one of the princesses. I was totally mesmerized with how beautiful she was! I was just a little girl but I was so excited to have her as my Aunt!

She had an infectious laugh that I can still hear today in my memories of her. I know she made my Uncle Phil proud to be her husband and partner.

I've been away a long time but I have not forgotten her. I love them both very much.

My heart is with Uncle Phil, Genia, Scott, their families and friends. Hugging you with my prayers.

*Rest In Peace beautiful Aunt Pat ❤️

“ I worked with Pat in the OR for 18 years and loved her dry wit and husky laugh. Pat, Barb Henry and I attended a conference together in Minnesota in about 1994 and we convinced Pat to go on a canoe ride on the St. Croix river. We had a great time until the canoe got stuck on a sandy perch in the middle of the river, lol. (one of us had to climb out and dislodge the canoe, and Pat made it quite clear it was not going to be her!) Great memories!

Pat was on the cutting edge of computer technology for surgical services, she was very knowledgeable, and a great asset to the OR. But, more importantly, she was also known as one of the most compassionate people that I ever had the pleasure to work with. I recently spent a weekend with fellow retired OR nurses and Pat's name was recalled with fond memories.....she will be remembered. So sorry for your loss, and thank you for sharing Pat with the rest of us.

“ I will miss you Pat. My heart is heavy. You were definitely a part of who I became. So many memories. So many stories. My safe place. LOL we traveled the US and made friends everywhere we went. Ben and I have many memories of you and your family. You will be missed dearly but we are glad you were a part of OUR family as we were of yours. My buddy, My Friend and my voice of reason. You always knew when I had problems and made me fix them. Forever in my heart and in my mind. You did good.

With all our Love Ben and Wes

“ My first memory of my Aunt Pat was when Phil took me with him to pick her up. He said he was going to marry her with great conviction as we drove to her house. When she came out she was laughing and when she got in the car she scooted over real close to Phil. I can't remember for sure, but I think Phil made me sit in the back seat. I was a pre-teen but I thought to myself, "well, they sure are young but it looks like the real thing." I think that is a summation of my Aunt Pat, "the real thing." While the sense of loss and sadness being experienced now is unavoidable there is comfort in knowing she is free from the daily struggles of earthly life. My heartfelt sympathies are extended to Phil, Genia, and Scott. "May the peace of God that passes understanding guard your hearts and minds..."

“ *Phil, Genia, Scott...I am so sorry. We shared so many wonderful times and memories from camping to Super Bowl parties and pool parties. Words cannot express the sorrows and regrets but happy memories will last forever. Treasure each of them and use them to provide comfort. This is a hard time, but hope that knowing Pat is free from the chains of illness that kept her down will hopefully help ease the pain. Doug, Julie and I are thinking of you.*
