“ I enjoyed talking with Pete in the gym at El Diamante. I am the volleyball coach there and always appreciated his efforts to keep our gym clean. He took pride in his work. Pete would always ask me about the team and how the players were doing. He was genuinely interested in the volleyball program. He talked often of his family. Especially his children. You could see clearly the love he had for them and how proud he was of them. The El Diamante Family will miss Pete. We are better people because of him.
