

## Pete Joe Moreno

December 15, 1950 - June 12, 2021

Pete Joe Moreno, lovingly known as Bebo. He was born and raised on the 1400 block of Encina Street in Visalia, CA. He was born to Antonio and Juanita along with several brothers and sisters. Throughout his life, Bebo held many titles. Musically, he was a drummer in the band that he had with his relatives called "The Deseries". As a young adult he was known as the President of one of Visalia's historical groups called the Nightwalkers. He was also apart of the "Brown Beret" March. Everyone who grew up in this town knew who he was. He had that knack of popularity. One of his best known attributes was being a "barrio artist". Bebo made portraits, free handed tattoos and created beautiful art.

As a career, he became a fabrication welder for over 30 years. With his artistic talents and steady hand, he created metal art pieces. Ranging from metal roses, crosses and motorcycles, to name a few. When Bebo was not working, he enjoyed sitting in his front yard and spending time with family and friends. Bebo then gave himself to The Lord and served many years doing God's work. He did Jail ministry and drew people closer to the Lord.

He spent 43 years with his companion and partner Jenny Valencia, who stayed next to his side through his remaining years. He loved his children, grand children and great grandchildren. Sons, David Moreno (Dianna) and Pete Moreno Jr., daughters, Valerie Moreno, Vanecia Moreno Gutierrez

(Richard) and Alana Moreno. Grandchildren Michelle Moreno, Marcus Paz (Alyssa), Jordyn Gayton (Jesse), Ashlee Moreno, Nicholas Moreno, Matthew Moreno and Myah M. Gutierrez (aka "Aikins"), as well as Great-Grandchildren Fernando and Alayah Paz. He leaves behind Ruben Moreno, Carmen Huerta, Phillip Moreno, Margie Marquez and other siblings, "compas", in-laws, numerous nieces and nephews and many friends. He was preceded in death by his parents, daughter Myra, brother Louie and many beloved relatives and friends.

Bebo passed on June 12 2021 on the 1400 block of Encina Street where he sat in his chair under his tree, watching the days pass by. He will be missed by his family, friends and countless others whose lives were touched by his presence.

“ Dad,

*I was so amazed at your artistic abilities..... I wish the lord would have blessed me your artistic talents! I was always impressed by your drawings and welding art work!*

*I remember as a young man, you could just sit down grab a piece of paper and just start drawing ... I still have the drawing you made me sitting under your tree at your house on Encina as you kindly laid into me about being a good guy and not succumbing to the destiny that satan had for me at that time!*

*Then 23 years ago...you became a bible studying, God fearing man! You got saved and gave your heart to the lord and God used your gifts and talents to help bless others that needed prayer and guidance including me!*

*I was proud to have you as my dad, the legend “Bebo” and all of my kids loved their grandpa very much and the private conversations you had with each of them while you were in the hospital will leave a lasting impression on each of them!*

*We are sad you no longer with us, but happy that you are no longer in pain. God took you home in his appointed time with open arms! I know when you were at those golden gates and earned those angel wings.. God said .... (Matthew 25:23) ....*

*“Well done, good and faithful Servant, thou has been faithful over a few things; I will make thee ruler over many things. Enter thou into the joy of the lord”*

*I will miss seeing you sitting out front in your chair...when I pull up to your house.*

*But....We will see you again, God is a good and honest God .....who doesn't lie! He keeps his promises, He will take us up someday To be with you and all of our loved ones that have made it to heaven*

*Miss you always*

*Love your Son*

“ As little brothers we played, rolled in the grass or dirt, pushed or pulled each other in cardboard boxes, threw dirt rocks at each other and of course fought with one another and made each other cry.

As teens and young men we played music together. We weren't pushing or pulling cardboard boxes anymore. We had the real cars now. We fought and argued, again. You went your way and I went mine; we didn't see each other for years. But I loved you and God brought us back together again.

As older men we laughed, we talked about our younger years, listened to music, got drunk together and of course, argued and fought again. But I loved you and God brought us back together again.

For many years God was preparing you for Himself. I'm proud of the way you turned your life around. I love you and miss you and because we're brothers, I know that God will bring us back together again.

Your brother,  
Phillip Moreno

“ To my Primo Bebo,  
Through the years we had encounters at the family reunions and recently at a family funeral service. (Tio Simon) You sat and talked to me and my mom on how your life had been changed, how you had given your life to God and a minister to his word. I remember you saying that you weren't scared to die because then you would be with our Heavenly Father and at peace. You touched my heart because you excuberated so much love and faith. Heaven has gained another Angel and I know you, Polito, Ukie, my dad and Tios have their own band in Heaven. I love you Primo and will remember your last words to me ....”to not be afraid, have faith and know that the Lord is always at my side.”

RIP
