“ My cousin Peter was one of my favorite relatives from my Tio Tony and Tia Katie's family in Hanford. I have fond memories of visiting my Tio and Tia and my many cousins when my parents would take us to visit every summer. I remember my Dad calling Peter "Rock". I loved Peter's "old school" hairdo, which he never changed. I remember his love of cars and how we shared that same interest. More recently I remember being welcomed into Peter and Bea's home when my sister and I would visit them and how Peter would always manage to obtain some fruit for us to take back to Orange County. I remember that Peter was very self-assured and cared deeply about his family. My condolences to Bea and the kids. Peter truly was a "Rock" for his family.
I will miss you Primo. Via con Dios.

“ Peter Garcia has influenced many people during his lifetime. Peter and Bea, treated all they knew like family and some of us practically grew up with them! Peter was always willing talk and share, not only his time, but his advice. His house was always open to all the family friends. A well respected man by all who knew him. He will be truly missed. Our deepest condolences to Bea, Paul, Ralph, and Loretta. May God Bless and watch over you during this time of bereavement. Love Steve and Stacy Reyes.
