“ To: The family and friends of Mrs. Petra Alafa
These past two years I have subbed for Exeter Unified. At Wilson,
she was always so friendly to me. I enjoyed her smile. Her
friendliness and her smile will be greatly missed.
From: Lotella A. Hale (she also knew my nickname Miss. Lola).

“ Joe and family. I grew up with you, and as an adult bought a home
in Farmersville next to the Jr. High school. I remember seeing you
and your family in town. Your then little girls would come to my
house selling stuff for school or Halloween, etc. I think your wife
might have worked at the bank too. I remember her always being
nice and friendly. I have many wonderful memories of growing up
with the Alafa family at Union, Mineral King, and Mt Whitney. Joe,
my sympathy goes out to your family. So sorry for your loss.

“ I am saddened by Petra's passing. While I haven't seen her in a long time, I remember her so well. We worked together at Wilson. She was so proud of her girls and would light up when we swapped stories of our children's "adventures". They gave her much to be proud of. She was always ready to help - especially if it was for the good of young people. She was kind in word, gentle in spirit and generous in her efforts for others. I will never forget her.

“ My Cousin God saw you getting tired and a cure was not to be. So he put his arms around you and whispered "Come to Me". Your LOVING heart stopped beating, hard working hands at rest. God broke our hearts when he lifted you to rest but God only takes the best.

Rest in Peace Cousin.

“ My deepest condolences to the family of Petra Alafa, a family I came to know through Petra's loving view of her husband and daughters. I worked with Petra for a number of years and had the honor of mentoring her. She was a wonderful addition to the Wilson School community where she demonstrated to faculty, students, and parents professionalism and a caring and committed attitude toward her job. I will always remember Petra with a smile on her face and a twinkle in her eye. She enjoyed living and enjoyed the children with whom she worked. She was a bright star and the world will be a little dimmer for her passing. My thoughts and prayers are with you in the coming days.

“ I just want to send my condolences to you my friend Joe Alafa and to your two daughters. We are not always prepared for things that are thrown to us in life. There are no words that can express the pain and sorrow you may be experiencing. Be thankful for the wonderful time you two shared and the blessing you two have with your two daughters. My up most respectful to you....

“ I am so sorry to hear of Petra's passing. I worked with her when I worked for Exeter schools. She was the sweetest person to work with. Prayers to her family.

I am shocked and saddened by the news of Petra's passing. I had the pleasure of working with her at Wilson Middle School in the mid-nineties. Petra was one of the kindest people I have ever met. She carried herself with a poise and humility one rarely sees. My condolences to the Alafa family.
