“ I will be forever grateful that Phyllis became such a good friend, as her loving nature was such a blessing to me, and all who knew her. We shared a common devotion to God and loved sharing inspirations from our Bible studies. Shortly before she left us she sent me a link to these words: "Everything we do should be a result of our gratitude for what God has done for us. ". Phyllis lived those words faithfully. I miss you, Phyl, but know that you are giving big hugs at your new address. Thanks for touching my life.
