Celeste our hearts ache and feel as they are broken forever, Unfortunately we know in time the pieces will semi heal, If this is true, though hard to believe now, there will always be a space, The piece to which has your name on its place. Tears have been falling now for you and those that left too soon When we think of your beautiful face it all seems so wrong You had so much to look forward to and so much left to do

But God needed somebody in heaven who is as courageous as you. Nothing is the same now and we doubt it ever will be You have been released from all pain and suffering, you have been set free. We miss your voice, your infectious laugh, that freckled and squinty smile The world has lost a wonderful girl, a true and amazing friend. But maybe her goodness was needed to help and to heaven she was sent. Celeste you are always around us, engulfing us with your love Giving us strength, keeping us close and watching over us from above. -Auntie Synthia
