

## Ralph Rubalcaba Becerra

January 1, 1961 - November 15, 2025

Our dad, Ralph Rubalcaba Becerra, passed away on November 15, 2025, at 64 years old, surrounded by the people who loved him most. It brings us comfort knowing he wasn't alone and that he felt our love all the way to his last breath.

Dad was born on January 1, 1961, to Tony and Magdalena Becerra. He was the youngest of eight and proudly carried the role of "the baby" of the family. He grew up in Seville, California, surrounded by brothers, sisters, cousins, and a big, loud family that loved him.

He leaves behind his loving wife, Carmen, who stood by his side for more than four decades; his daughters, Nicole and Rebecca; his son-in-law, Albert; and his five grandchildren-Issac, Robert, Jade, Albert Jr., and Carly-who were truly the lights of his life.

We take comfort knowing he is now reunited with his parents, Tony and Magdalena, and his siblings Concha, Eddie, and Arturo, who we know welcomed him home with open arms.

Dad was so many things to all of us: a loving husband, a proud father, a goofy grandpa, a loyal brother, and an uncle who could always make you laugh. He was a jokester with a big heart, and even on his toughest days, he found a

way to bring a smile to someone else.

His loyalty, kindness, humor, and quiet strength are the gifts he leaves behind. We will carry him with us forever, and his memory will live on in every story we tell and every laugh he gave us.

Memorial services will be held 2:00 PM - 3:00 PM Saturday, December 6th, 2025 at Salser & Dillard Funeral Chapel, 127 E. Caldwell Ave., Visalia.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ Oh My Tio Ralph has Always been a BIG part of ALL OUR LIVES, to most of us nieces and nephews he was more like a Brother. Living in Seville for 20 years I had him as not only my Tio but also as my Neighbor, we talked Every Day at some point or another I have A LOT OF SPECIAL MEMORIES but trying to make him laugh and not get depressed about losing his foot was the funniest because I started calling him Tio Tink- Tink and me having a right drop foot that makes me limp whenever we walked by each other I started saying to him “ Tink-tink, with every step we took. We just laughed just one thing I am going to miss more than anything is calling my Tio Tink- Tink or Our Buttercup!! Love You my Tio, My Brother, My Friend I Miss You!! 🤔😭 I ALSO RECEIVED HIS COVETED DIP-Stick Award for helping him work on a car, he was proud of me. 🤔😭👍😭😭❤️
