“ *Dear Richard. We are saddened by Mona's passing. It breaks our heart. Our daughter is devastated but she understands your predicament. We watched the services on line thanks to Salser n Dillard. We heard the speeches which touched our hearts. I know how much you loved her and I also know what a wonderful husband you were to her. Don't ever forget that. She was your baby girl till eternity. Pewee and I want you to know if there's anything you need we're there. Mona and I got to know and respect each other. She was a beautiful lady with a pretty awesome soul. She accepted me and I her. I really really liked her. I believe in my heart she liked me too. At least our daughter had the satisfaction of knowing all her parents got along. For now Richard, keep praying, take walks, talk to her and don't let the depression get the better of you. I will continue to pray for you in hopes that the lord lifts you up in prayer all the days of your live. You were a good husband. Don't let anyone tell you different. May Mona rest in paradise till you two meet again.....Elia*

“ *Mona was always filled with such a wonderful spirit! When we were younger she was always not just a cousin, but a great friend to talk to. All those wonderful memories of just hanging out with a cup of coffee and laughing about the antics of the family and life in general, will be with me forever! Until we are hanging out on the porch again over coffee, I love and miss you. May God bless you and keep your beautiful soul alive.*
