“ Shirley and Pat sorry for your loss. It's never easy. May god wrap his arms around you and comfort you all.  
It cut off my first sentence saying below how special it was seeing Ramona and your parents just sitting out in front yard as I drove by on Jasmine. Nice sight family together.

“ t a nice sight that was Family together. I also remember you in high school. A little fisty thing walking around so fast on a mission. You were so cute. I pray the years were good to you. Sounds like they were. I know your sister's Shirley and Pat will miss you. But how can we be sad knowing you are where we all are waiting to go. You just beat us there. Will not get to be at your memorial which I'm sorry for but wearing Heart Montior and has to be changed at 11 tomorrow, so will be praying for your family for god to give them peace and love and understanding. Tell everyone from Ivanhoe Hi and we will all be together soon. Jane Hanna Shields.

“ Aunt Mona, my Heart is broken with your passing. As a child you were my favorite, you and grandma took me with you everywhere. When you married Richard I got to stay with you and Richard often. Then I married and had a family, we lost connection in our busy lives but the love for you never faded. You and Richard moved away and more distance became between us. After Richards passing you came home and back into our lives, these past five months felt like you had never left. Love, laughter and we must not forget Saturdays at Walmart. I know how much your heart ached for the Love of your life, now ours will ache for the loss of you. I know Grandma and Grandpa were waiting for you in Heaven with open arms, and Richard well lets just say he is dancing on the clouds of Heaven. Till we meet again sweet aunt may you rest in peace. I love you today, tomorrow, and forever.

“ To my dear Aunt Mona, it breaks my heart that I didn't get to spend enough time with you since you came back home. I have so many great memories of you that it would take up to much space to list. I will always remember the last time I saw you at Sandys, you told me how much you loved me and how happy you were to be back home with your family. I'm sure Richard, Grandma & Grandpa are so happy that you are now with them but I've always been a little selfish and would have loved to have had you here with us a little longer. Please tell Grandma & Grandpa I love a miss them dearly. I love you all and look forward until we're all together again...
