

## Raymond Landin, Jr.

January 8, 1975 - January 5, 2021

Raymond Landin Jr. passed away Tuesday, January 5, 2021 at the age of 45. Raymond is survived by his mother Anna Gomez-Mendoza and step-father Jesse Mendoza, brother, Carlos Portillo, step brother's Paul Mendoza, Chris Torres, Step sister Cynthia Mendoza, his children Emily and Marcus, loving aunts, uncles, cousins, relatives and friends.

Raymond medically retired from the Department of Corrections where he was assigned as a Correctional Peace Officer at Substance Abuse Treatment Facility (SATF) in Corcoran, CA. He also worked as a banker for a local bank and as a car salesman for a local dealership.

Raymond was an avid football, basketball and baseball fan rooting for the Chicago Bears football team, the Los Angeles Lakers, and the Los Angeles Dodgers and loved attending the games. He prided himself for knowing what university or colleges the team players came from. Raymond also loved to participate in various fantasy football games with close friends.

Raymond will be remembered for his loud humorous voice and laughter. He made friends easily everywhere he went and left a positive imprint on those who knew him. His love for life and good times never faltered even after many medical problems and surgeries. He never felt sorry for himself even though he was aware of the seriousness of his condition.

Raymond's passion was listening loudly to Mexican and Country music and singing karaoke at home with family. His favorite holiday was Christmas and being with family and always did his shopping early taking pride of himself

knowing everyone would have a little something under the tree.

Raymond was an avid shopper of clothes, caps, shoes, and ties and has a large collection of each. He was always looking for the best and inexpensive bargains. Above all, he loved his mother's cooking and always complimented her as being the best cook in the world "ever".

Raymond is and will be missed immensely. His journey in this world has sadly ended but we take comfort knowing that we will meet him again.

We would like to thank the following who had a positive impact on his life and care.

“ Although you sleep in Heaven now  
You're not that far away  
My heart is full of memories  
And you're with me every day  
You lived your life with meaning  
And with a smile upon your face  
A world that was full of happiness  
Is now an empty place  
People say that only time  
Will heal a broken heart  
But just like me and you  
It has been torn apart  
I know you are at peace now  
And live in a place where you are free  
Meet me at the Pearly Gates  
When Heaven calls for me

*I miss you so much and your departure has left me broken hearted, yet again. I take comfort knowing you are reunited with my mom, grandma's and all our dearly departed. You rest with the angels cousin, I'll take care of your momma. We love you and miss so much.*

“ Every time I said "You look good, mijo" you'd always answer "Tia, I always look good" and then give that big laugh as only you could do. You were larger than life and the void you left will never be filled. The memories you left for all of us will remain until we see you again. Your mom, Jesse and Carlos will be taken care of, just as you would have wanted. Rest in peace until we are all reunited.

“ Monchie.... I will never forget your bigger than life personality and your unforgettable laugh mijo. I will miss our conversations of your dreams and aspirations and how you wanted to do so many big things. I know that we will meet again mijo, save a spot for me with Tia and your grandmas. My love will always be as strong as when you were here mijo but I know you are not far. I promise, we will take care of your momma for you baby and know how much she meant to you. Your road has been long mijo and the days grew short but eventhough at times the pain is unbearable and the tears seem endless, we will try to fill the void with the thousands of beautiful memories of our time together, memories we will carry forever with us. Those same memories that live in our heart and as long as it beats, you will forever remain. Rest in Peace amor, Tia Lucy loves and misses you so very much.😭 Hasta pronto mijo and thank you for the many times you sang with me, when I could no longer continue😭
