

Relon Abigail Graham

November 27, 1970 - April 9, 2025

In Loving Memory of Relon Abigail Graham,

It is with the deepest sorrow and heaviest of hearts that we announce the passing of

Relon Graham. Relon left us on Wednesday, April 9th, after a sudden and incredibly swift battle with stage 4 cancer.

We are celebrating the life of our beloved daughter, mother, sister and friend Relon. She left a legacy of love, touching the hearts, minds, and souls of all that are left behind. She gathered friends, acquaintances, and business associates who became an important part of her life, and the very lucky ones became family. She was a fourth generation Visalian who's roots ran deep within this valley. She was proud of her Sicilian family tree that helped to develop Mary's Vineyard and The Crystal Barn.

She was an avid gardener who found great peace in working her family land. She loved to travel and see new places. She will be remembered every time you hit the open road for an adventure. Her laughter will be singing to you in the wind coming through the open car window.

Family was the center of everything that Relon did and achieved. Never losing sight that they were always her main focus. She is survived by her precious

boys, Connor and Jack Graham, her beloved parents Rena and Lonnie Bellman, and her fur babies Poppy, Sweet Pea, Buttercup and Sparky.

She will be remembered in her store, The Crystal Barn, by her staff and customers that adored her. Relon was more than just the boss; she was the heart and soul of The Crystal Barn. She created a welcoming and supportive community, and her absence will be deeply felt by all who knew her. Relon's generosity, loving kindness, and vibrant spirit touched countless lives. She was so full of life and passion and was an inspiring leader who motivated us all. Her absence will be profoundly felt by her family, her friends, her staff, and the entire community that The Crystal Barn has served. One of Relon's most cherished dreams was to expand her business. This vision was more than just a business venture; it was her passion, her purpose, and a testament to her desire to share the healing and wonder of the metaphysical world with a wider community. She poured her heart and soul into this dream, and her staff are committed to honoring her by continuing to work toward its realization.

Relon's friendship went far beyond the bonds of friendship, friends were family! If you knew Relon you were truly blessed.

So farewell Relon, until we meet again.

“ Relon happened to be available for a reading for me last year at her store while I was in town. I really wanted to be able to connect with my mom who had passed away in summer of 2022 and I felt like she really channeled her and described her personality well. It was very healing for me and I'm forever grateful for that experience with Relon. It changed my life for the better and has inspired me to continue speaking with my mom, knowing she is really there for me, even though not physically. It has helped me immensely in my grieving process. This was my experience just in being in Relon's presence for less than an hour. She impacted my life for the better in that hour. I can only imagine the love and energy Relon shared with her friends and family. I hope that she is able to visit her grieving loved ones and let them know she's still there for them, just like she did for me with my mom. The greatest gift I've learned from my grief is that it means we have loved hard. And that is a beautiful blessing. Of course that doesn't take away the hurt of loss. I hope you are able to feel through it all and take the time to honor and grieve. Sending lots of love to Relon's family and friends. <3

“ I remember Relon Bellman as my Business teacher @ Golden State, she was a great teacher always calm, cool & collected!! Relon would include some of her real life experiences mixed in with her lessons & I always appreciated that for her sharing and it really got my attention to what a great teacher she was for telling us!! It made her very human & kind to me. May God give her a special crystal when she walks through those heavenly gates...🙏😊

“ Dearest Rena, Lonnie, Connor, and Jack. I'm sending my deepest sympathies for your loss. Your daughter and mom will forever be with you. Her laughter and warm smile will be forever missed but not forgotten. I had the pleasure of working with Relon. I remember the first day I met her, I was working the drive thru at McDonalds across from the crystal barn. I asked her at my window if she was the manager/owner. She replied yes I am the manager. I replied back and asked if she was hiring. She said they were looking because they were getting ready to expand the store. I was excited and applied. Relon hired me and introduced me to the world of retail and metaphysics. Relon taught me a lot while working along side her and the things she taught me I still practice and teach others. Many memories and laughs. She will be forever missed. Sending love and light. Hilary

“Rena, Lonnie, Connor and Jack....my deepest Condolences to you all for the loss of your daughter and mom Relon! I am just heart broken for you all as Relon was one of the most hard working and most loving people I've ever known! I went to Valley Oak jr high and Golden West High with Relon. She was always so sweet, kind, outgoing and funny. I remember sitting down talking to her in the game room at her house when I looked around and asked her...."so you like Disneyland" as the room was filled with Disney collectibles and pictures....after about an hour later.. after she went through Walt Disneys concept of Disneyland to the creation of Disneyland and every detail about Walt Disney himself...to how she was a season pass holder along with mom (Rena) I was schooled! If she didn't have to get back to work we would probably have spent a lot more time schooling me on Disney facts and truths ;) I loved every minute of it because she was very thorough on making sure I had the facts! Thanks to Relon I could someday find my way into the secret bar in the Pirate of the Carribean (New Orlean Square) area of Disneyland that I never knew existed!

Relon was truly a very warm and gifted person that I will miss seeing around Mary's vineyard and The Crystal Barn!

May God Bless you all during this tough time and bring you comfort in knowing you will see Relon/Mom again!

Rena..I will be thinking of you always and keeping you in my prayers!

*With the Warmest Regards
and in Gods Love,
David Moreno and Family*
