“ *Shannen, Kerry, Shayne, Kristina and Family,*

*I am so very sad and sorry to think about life without Rena. She was one of those once in a lifetime friends that will be mourned by Charles and I and all of those who had the pleasure of being her friend. She always showed her love to her friends including those she worked with, the patients she was involved with and most of all Rusty and her family. Anytime she saw us she would update us on the accomplishments of her beloved grandchildren. She was always so proud of them and the rest of her family.*

*Rena was so special to me and I know I will miss her and will think of her often. I am sure Rusty and Scott were waiting for her and welcomed her with open arms.*

*Our love, thoughts and prayers are with you,*

*Sandy and Charles*

“ *I got to spend some quality time with my Aunt Rena after Christmas this year during a visit to the Central Valley. We had a great time and I was able to tell her just how much I loved her. Precious memory!*
