“ *Richard and me started working at Calwa yard at about the same time. That was 30 years ago. The last few years we would sit and talk and look at classic car magazines. I enjoyed making Richard laugh. He will be missed but not forgotten. CK Jackson*

“ *I've only been with BNSF for 3 years but everytime I went to work I would talk to Richard about Riverdale and how his daughter was a teacher. I'm gonna miss our conversations and the amazing man he was. RIP Richard you've reached your reward.*

“ These pictures are from Richards 83rd, 84th, and 85th birthday celebrations at work. I am still amazed I was able to get him to wear the birthday hat while we sing happy birthday to him on his 85th.

“ I have been with BNSF for 23 years and Richard was there since my start and before. He will truly be missed! I enjoyed him sharing his stories from his life; military school, auto parts, clocks, his roses, and his beloved wife. They are back together and smiling down on us.
