“ I remember Saturdays before family reunions getting together at VIP pizza having talks. At the family reunions he was the first person I seen and how we would end up back at his house having homemade ice cream. Last December when we came out to visit Uncle Kenny took us by to see Uncle Richard and Aunt Pat he gave me a gift that I will always cherish.

“ Richard's kindness and generosity knew NO bounds. We will be FOREVER grateful for the act of compassion he showed to a stray dog in need one day (9 years ago) out on a back country road. Im not SURE he knew that she was pregnant at the TIME but it wasnt long before he was a GRANDPA!! We went over to see the multiple bundles of joy that had taken over the laundry room and instantly fell in love with the most precious little guy named Bosco. He has been such a blessing in our lives and has brought us so much joy over the years BECAUSE Richard loved him FIRST. Richard will be incredibly missed. Condolences to the family. -Joshua and Julianne Elliott

“ We were so sad to hear that Richard had passed away! He truly was a man of honor and integrity. If Richard was your friend, he was your friend for life, and had your back no matter what! We wish peace and comfort to the Lancaster family. Unfortunately, we are out of the country and will not be able to attend his celebration of life. You were a great man Richard, rest in peace 🙏. “ When i was younger i remember being at uncle Richard's house with all the family. We had a dance party in the house brandy taught me how to do a cartwheel. I remember sitting in the back yard waiting for homemade ice cream. The last time i saw uncle Richard was last summer. It was the first time i had seen him in 4 years. I visited with him and aunt Pat for 2 or 3 hours. We had a great time talking even though they had summer colds. I will always cherish my memories and hold them dear to my heart. He will always hold a place in my heart. Love you uncle Richard
