“ *Richard was my confirmation sponsor. He and Yolanda gave me some rabbit fur lined leather gloves as a gift which I still have to this day!!! He was always supportive and he and Yolanda have been there for all of my milestones throughout most my life. I don't think anyone who met Richard and got to know him could say a bad thing about him. I love him and Yolanda. Richard will be missed. Rest in peace.*

“ *Richard was my best friend and real estate partner for over 40 years, I will miss him until I join him in God's good time. We never had any written agreement not even a handshake we didn't need one , we never had a cross word between us. Without any reservation I would be remiss if I didn't state he is among the best men I have ever known, as an husband, father, grandfather, or friend. I regret that I didn't have foresight to tell him how much his friendship meant to my entire family over the years, he was one of the Lord's best! With sympathy , Jim Dougherty & Family .*
