“ I was 18 years old and Rick was 19 years old when we meet in Redondo Beach California, we fell in love with each other and started a family and got married. we have 3 boys together Jeremy, Joshua, Jacob Weaver. When Rick was in the hospital a few days before he passed away I had whispered into his ear that he knew their was only one way of getting to heaven and he assured me that he had already had a few conversations with Jesus! I asked Rick that he would need to make sure he had asked Jesus to come into his heart and to forgive him of his sins, he responded back to me Done! I told him I would make sure his children knew of his conversation with Jesus and they would find comfort knowing their dad was going to heaven. we all have our special memories we will hold dear to our heart of Rick Weaver
