

Robert James Chambers

April 22, 1957 - November 7, 2018

Robert (Bob) James Chambers passed surrounded by family and friends on Wednesday. He was an avid fisherman, lover of the mountains and for a time, business owner. He spent his younger years in the Army and was a paratrooper, he was particularly proud of this! There was nothing he couldn't do! He will be greatly missed by his brothers Donald and Richard, his niece Kerris her husband Al, great nephew Dorian, Aunt Carolyn and multiple cousins and friends, but mostly by his beloved dog Wolf.

Remembrance in his honor to be held Saturday November 17th at his niece Kerris LeBeaus house at 1pm Contact Salser and Dillard for address and information. Condolences can be made to www.salseranddillard.com
