Robert E. "Bob" Hoth

VISALIA  Robert E. "Bob" Hoth passed away peacefully on Friday August 10, 2018 surrounded by his loving family. Bob was born in Los Angeles, California on November 10, 1929. He was one of two children born to Frederick William and Mary Hoth. He graduated from Manual Arts High School in Los Angeles. Bob began his career in the printing business at the Apex Press Printing Shop. This was where Bob met the love of his life, Carol Ann Dempsey. Carol would walk by the shop on her way to school or on her way to the dime-store where Bob would shout "Howdy" as she passed by. The rest is history. Bob was drafted into the Army on February 16, 1951. He married Carol on May 3, 1952. Bob and Carol moved to Texas where he was stationed after they were married until he was released from active duty and transferred to the Army Reserve on February 17, 1953. Bob and his wife Carol settled in Long Beach, California where he was working at Schwabacer Frey as a printer. Bob's company transferred to Visalia, California in 1966 where he relocated with his wife and their 3 children. Bob was a resident of Visalia for 52 years.

Bob had many hobbies such as masonry and wood-working which was very intricate and detailed. Bob's passion later in life was his collection of unique watches. He got very excited every time a U.P.S. truck would pull up to his house. Bob loved life, sitting on his patio with family, neighbors, & friends relaxing and enjoying a good cigar and each others company.

Bob is survived by his younger sister Janet Santoro of Visalia, his children Sharon (Alan) Girton, Lori (Rick) Tucker, & Barbara (Greg) Uichanco all of Visalia, His grandchildren Amy Nelson, Michael Girton, Robbie Girton, Ashley Girton, Lindsey Porter, Jacob Porter and 11 great grandchildren. Also the family would like to thank Dr. Pap and Dr. Stan Feil for the special medical care they provided and a "special" thank you to Dr. Aditya Verma who gave Bob many extended years of life.

“ *My Uncle was a very special man. He had a great many hobbies and always loved showing me his workshop and items he made. He was surely talented. He also loved his watches and gave me one of which I still wear. He was a very loving person and a great family man. One memory I have is on the day Carol passed away and we were at the reception. I was outside collecting my thoughts and Uncle Bob came outside and asked me if I was ok. Now here is a man who just lost his wonderful wife and he took the time to see how I was doing. He was always so thoughtful that way. I will miss him always and I have all the memories to think back on. I Love You Uncle Bob and can't wait to see you again someday.*

“ *One could not have asked for a better father-in-law. He shared his knowledge, his kindness, his work ethic & his beer on many occasions. A great man, that will be missed by all of those that crossed his path. Thank you!*
