“ Mr Knapp...one of “the dads” on Bel Air Circle. I remember him driving up the Knapp’s driveway in the orange VW after work. His gentle nature and love for his family will always be remembered. I would like to think of him with my dad and Mr. Slater in heaven, they have a lot of laughing to do. Bob and I both send you our prayers of strength and comfort during this most difficult time.

Love,

“ Uncle Bob was the life of the party. There was never a dull moment with him. It was always the highlight to hear him singing around just like grandma Dee, and watch them dance was a treasure that I will cherish forever. He will be surely missed and always loved.

“ My father was the most kind, gentle, giving, loving, funny man. So proud of all his children. Valued his friendships very much. My biggest fan in sports and everything I did. A great husband to my mother - a fantastic brother to my Uncle Don and Aunt Dee. My heart literally aches from missing him.
