“ *I only met Rolando once at a party, but he was so kind and friendly. He seemed to be the type of person that could make you feel as if you had known him for ages even after only being introduced. May his spirit now soar free, and may his heart be filled with everlasting love and peace. Sending thoughts of comfort to his family and close friends.*

“ Ro, you left me too soon! You’ve always known what you mean to me, you’ve always been my first true best friend. You leaving me behind wasn’t part of the plan. You did your work here on this earth and our Heavenly Father needed you with Him, I believe His promises to us, so I am certain you will be waiting for me in Heaven! Until then, keep dancing little brother! I love you forever ❤️

My dear dear friend, never in a million years did I think the last time I saw you and the last time we talked was going to be the LAST time. I will miss you Ro but I will always have the memories of all the crazy and good times we shared. A friendship that started over 30 years ago. You lived a life like very few people do. You made every day count. You were such a proud dad, great son, caring brother, awesome uncle and cousin. Over all just a beautiful, loving person. My condolences to the Garcia family and David. You will be missed and never forgotten. Rest easy my friend, you're now in heaven with your mom. 🙏💜😭
