May 3, 1967 - December 10, 2024

Todd Crosswell, 57, of Visalia, CA unexpectedly passed away on December 10, 2024. Ronald Todd Crosswell was born May 3, 1967 at Camp Pendleton, CA. He was raised in Hanford, CA with his two younger sisters, Johnna and Suzanne and younger brother, Jason. He attended Hanford Christian and Lemoore High, graduating in 1985.

Todd married the love of his life, Tracy Crosswell, on April 4, 2016, on a family cruise that cemented their love of family and travel. Their love for travel took them on countless adventures with friends and family that Todd treasured. Todd and Tracy spent the last 15 years building the family of their dreams. Todd was a loving father and Grandfather. He spent countless hours at baseball, soccer, football, and water polo games.

Todd's professional career was one of hard work and determination. He grew up in the family bee business where he found his love of agriculture and manufacturing. He believed there were no shortcuts in life and if you were going to ask someone to do something, you better damn sure know how to do it yourself first. He never forgot a face or name and cared about each and everyone's story and family. Todd had a love for the game of poker which brought him many lifelong memories and friendships.

“ *The first time I met Uncle Todd was during our family reunion hosted by him and Aunt Tracy. I've never met someone more welcoming and joyful. We chatted a bit at first while he was grilling food for the family and our conversation hit mutual interest with sharing hunting stories (successes and misses). We talked about big game and my personal favorite, turkey hunting. Throughout the day and night we continued talks about hunting, our travels, and grilling. Through sharing stories, enjoying wonderful food together with loved ones, and laughing, I saw and felt firsthand the love and passion that Uncle Todd puts in everything he does. I treasure our conversations and it will remain with me forever.*
