“ *Ronnie was my Brother In Law for a few years. He was always a lot of fun, making me laugh often. He was always very thoughtful and kind man. He already paved his way to the heavens. Your ex Sister In Law, Kathie Johnson*

“ *My heart was saddened to hear of Ron's passing. Our family 1st met Ron over 40 yrs. ago when he visited our church with his Granny Barker. We enjoyed his friendship all these many yrs. I never hear the song "I wish I was a Teddy Bear" & not think of Ron sitting on my piano bench strumming his guitar & singing that song. He will always be remembered for his friendly smile. Rest in peace my friend.*

“ I had the pleasure of meeting Ron, when we served on a board together. I was so impressed by his humility, his clarity, his honesty! He had a wonderful disposition. He was a charitable man in giving his time and resources as well. Our world has been blessed by his presence. He also was a man of profound faith and loved his family. I am so sorry for your loss. I will miss that great smile and humor for sure!
