“ *I will always remember Rosie smiling, as She was always smiling every time I saw her. I thank God for having met her and share good times at work. Such a beautiful person, she left us too early. My heart felt condolences to her parents, and her brothers Henry and Angel. May the peace of Jesus Christ our Lord be with you through these hard days.*

“Everything is temporary but Love. Love outlives us all.” What beautiful words from a beautiful soul. Rosie, I am so honored to have known you as a friend. We started as colleagues at DHL when we were young and not a care in the world except of course for family and friends, which was always priority one in your life. And as the years went on, and as you moved from SoCal to start your life with your beautiful children and husband, I saw those values grow a million-fold as you became such a loving wife and mother and remained a caring friend to those of us from years past to new ones made. Your laugh, smile, the bright light in your eyes and the caring, kind heart in your soul is what I will always remember and cherish. Thank you for all your kind thoughts and words over the years and distance. Although I had not seen you in years, your genuine kindness made it feel like you never left. I pray that God heals the broken hearts of your children and husband and that they feel your gentle touch and love from now until the day they are reunited with you in God's kingdom. We are shattered that you're gone, but thankful that we knew you and that you are pain free. We hope to see that smile and hear that laugh one day again. We will...I know we will.

With all my love, thank you friend...
