“ Today my family & I lost our beautiful granny who we love so much. Our hearts are deeply broken but we are also at peace to know that she is resting peaceful now. Our lives will never be the same but together we will stand strong just as she would want us to & help each other get through this difficult time. Granny was so very special to us and she loved us all very much. She is going to be missed by us all but never forgotten and we will always keep her memory alive. I love you granny, not sure how we are going to go on without you but we promise to make you proud and be the family that you raised us all to be 🙏💔😭...Rest Peacefully👩

“ Rosalie ...I have such great childhood memories of her. Such a classy lady. Her smile and laugh was contagious and she had a twinkle in her eyes. I remember answering the phone when she would call...she would ask a ton of questions so I nicknamed her Sherlock. A huge part of my heart and I will miss her terribly...love her so much and thank her for the memories.

“*Rosalie was a very fine lady who drove the TUHS musical groups to various destinations for many, many years! She was an excellent driver and had a great interaction with teenagers - they always knew that they were in good hands and were safe with her. A super respected employee for the TJUHS District Transportation Department for a long time, and will be remembered by fellow drivers, parents, and hundreds of students! May God Bless Rosalie.....*
