“ On behalf of my brother Freddy Rodriguez he would like for me to relay this message. Our hearts go out to you and your family during the difficult loss. Rest assure the gates of heaven opened up for Roxannas beautiful smile. Roxanna brought so many happy moments to my life and sadly left me with many happy memories that I will never forget. She knew and always will know that I truly loved her and will always love her. She will always hold a special place in my heart. She will be in my prayers as I always have. I had with her what I never had with anyone else.

To Roxannas mother. Freddy wants you to know that he loved your daughter very much.
