“ *The world is a sadder place because of the loss of one of the kindest and gentlest of men. My DAD, Roy Minyard. He was a quiet man, a man of few words, but when he spoke, we (his six brood) listened. He guided us, encouraged us to dream and be whatever we wanted to attempt. He was there to support, pick up the pieces when we fell, and teach us to be independent. Especially his girls, and there were a lot of us. He taught us to camp, fish, and take care of ourselves. He loved and respected nature and shared that love with all of us. I remember how he just laughed at me when I loved to fish but never touched a single one. I only needed a pair of plyers since if we caught we had to take it off the hook. I have sooooo many memories to cherish forever. He gave us hope and love that we never doubted I am just so happy that I was able to have Dad & Vivian in our home this past year plus. I would not trade that time for all the money in the world. I love and miss you but know you are in the most wonderful place ever. Say "howdy" to all the family there.*

“ *My late husband, Don Tripp, worked many years with Roy in the auto industry. Don loved and respected Roy for the good and decent hard working man that he was. He enjoyed his friendship with him tremendously. My heart and condolences go out to all the family at this very sad time. May God bless you and comfort you.

“ *I was saddened to hear of your loss. I remember going to the Minyard home as a teenager and feelings of comfort. I have memories of Roy's smile and humor. He is in the comforting arms of God now.*

“ Our deepest sympathy on the passing of your dear father. Our parents, George and Frances Watry, thought the world of your father and mother Doris. They spent many happy B of A events together. We enjoyed knowing the children from the Minyard families as we went through our years of schooling in Tulare. Precious memories. May you find comfort and peace in knowing that your Dad is resting with loved ones. Judy, Mike and Steve Watry
