

Ruben Castillo, Jr.

February 21, 1971 - September 10, 2021

Our Father, Ruben Castillo Jr., born February 21, 1971 passed away Friday September 10, 2021. Dad passed away only four days after his mother and our family's matriarch Consuelo Castillo (Nana) both of complications from Covid-19.

Our Hearts are forever broken with the loss of this man for whom words will never be enough to describe for anyone who ever crossed his path. Our dad will be remembered for so many of his amazing attributes some of which were, first and foremost, his over-the-top sense of humor, his sharing of anything and everything he had to give, his enormous heart 💎 not just for his family but for everyone in his life no matter how distant or close they were. He looked out for everyone he loved and was always there for you no matter what. That was our dad the man you could turn to for anything. It filled his heart to do for others when he could.

For us he was the Best Dad anyone could ever ask for. For others he was the best brother, best son, best tio, best papa and best friend you could ever have in your life. He will be deeply missed every day of our lives but will always be with us in our hearts and the many memories we all shared having been blessed to have him for the precious time God granted us.

Ruben was preceded in death by his father Ruben B. Castillo (Papa), his sister Deborah Saenz/Castillo (Debbie/Peaches) and his mother Consuelo S. Castillo (Nana).

He is survived by his fiancé 💎 Julie Wallace, his daughters Irene Aguila, Eileen

Castillo (Hopey), his son Adam Castillo (Bear) his sister Linda Lopez (Billy) and his four grandsons Matthew, Nathan, Julian and Xavier. Along with numerous nieces, nephews, aunts, uncles, cousins and close friends he considered to be his family.

"Thank you, Dad 💎 for EVERYTHING. You were the best and we love you.
GO RAMS!!

“ I can't express how shocked I was when I heard that you went on to be with the lord Ruben!!! And even more blown away when I heard that your beautiful and wonderful mom had also went on to be with the lord just within days of each other.

I didn't know that debbie was already in heaven waiting with your dad and aunt virgi!!

You and your family were my family growing up we had so many good times at the "trailer". When I drive by there it brings back sooo many memories....I remember when I met you guys your dad and mom, you, Debbie and Linda, virgi, mark and jimmy all just moved to visalia from Waukena. We met at valley oak and hit it off from the git....we lived really close to each other and Saturday nights were awesome.

At your house you had a new VCR ... yup first one I had seen... we rented nightmare on elm street, porkys, terminator and all those 80s movies...we would wait for mark to bring pizza home from his job and throw a munch while we watched movies and tortured jim and totally messed with your sisters and mark. Then the "old man" (your dads nick name you gave him) would come chew our butts, then you would start on him! He didn't take any crap from us...On multiple occasions he would kick our asses. Man brother those were the days. You were relentless with your funny ass sense of humor, playing tricks on the family just to piss them off. Then you would just laugh! It was crazy!

As time went on we started drifting because we started our lives, then here came kids, got our jobs, etc.. but when we would meet up around town it would seem as though we never missed a beat...it would feel like I just saw you yesterday cause you had that crazy ass sense of humor that would crack my ass up. Then you became a kick ass fabricator/welder and did some welding for me! I was like check out "the nose" (your childhood nick name I gave you) he's a bad ass welder! I was so impressed brother. You had an awesome knack for welding.

So much to say and so many memories but can't get em all in now I would need many pages....

I just can't believe your gone! I will miss you ...my friend always... you were one of the my homies I figured would just always be around town! But God has got one dude with one heck of a sense of humor.... to keep him company! Your reunited in heaven with family now.

Linda.... my heart and prayers are with you and Fabian...and your family...God Bless all of Rubens children and family during this time...My condolences to all the Castillo Family!!

Until we get to laugh again someday in heaven my brother! Rest In Peace!
