“ *I can't believe your gone! The pain is too deep, how do we carry on. I keep waiting to hear your music as you drive up! Waiting to see you smile with your little smirt, as you enter the front door. Waiting to hear your smart ass comment, so I can prepare one to say back to you and make you smile and laugh without a comment back. You knew how to make us smile and brought joy and laughter to our lives.*

You were taken too soon. But your memories, will be cherished and remembered for a life time. Heaven gained an angel and I lost a nephew. You will be forever in our hearts and never forgotten!

“ I remember the day we met in the office of redwood... you just starting and me getting suspended. I'll never forget what you said " I heard a lot of people don't like you because their girls like you " Imfao since then we clicked. It's still hard to beleive your gone.... you were truely and always will be one of my best friends.... I may have not been from Visalia but you showed me love as if I was. I love you bro I'll forever keep your spirit alive.... Long Live Rudy Florez, Gone but never Forgotten

“ It's still so unreal that you're gone. My heart is constantly aching and I'll never understand why you were taken so soon. There will never go a day where I don't think about you. I like to think I was born on your birthday for a reason, you were my angel from the start. I love you so much big brother. Til we meet again. ❤️

“ Rudy you're gonna be soo missed and not doubt your memories will forever be in our hearts. You made everyone laugh smile pushed us to our limits but you always knew how to make it good again to where we couldn't stay mad at yo ass lol. that smile, your cute little laugh, your hugs, your kisses, your farts on my legs, the warm feeling you always gave me, holding you at night not wanting to let you go just as much as you didn't we didn't care if we sweated we always stayed locked on, cooking breakfast with you, doing family things and spending time with our families and I must admit we had great times and those made you happy. We won't ever forgot our "Rude boy" the great. Fly high you stud 🤪 And may you Rest In Peace ❤️

“ *Rudy was definitely a unforgettable person. He had the ability to annoy you to your core yet was lovable enough that you found it adorable. Underneath that icy exterior was a huge heart. He would always crack me up with his jokes and awkwardness. And he loved his son Alies so much. There are so many memories I have shared with him. I love you brother. I promise I will do my best to make sure Alies is taken care of and remembers how much you love him.*

“ Thinking today about how Rudy was such a martian sometimes and a huge dork. But will never ever forget his heart. He was always willing to help and always did what was right. I will miss you Rudy!
