“ Oh man tootsie this was our last message we sent to each other and I know in my heart you truly meant every word of it and so did I. You were my uncle not by blood but by love and I would cross the oceans for you and vise versa. Thank you for being such a big part of my life from a little girl until now I love you tootsie

Thank you being a loyal friend to me for 37 years Marc. You were always there for me no matter what. It's not until people pass that we took our time for granted. I know you are up in Heaven, you and God had the 411. I know I'll be seeing you again someday. I also know that you will love in my heart in spirit. Rest In Peace friend, I love you, Michaela McKinney and Family
