“ *I remember when Aunt Sandy use to watch Marissa and I while my parents were working. She always had something for us to do. She would bake goodies with us, play games with us. She was even hard on us lol, she wasn't afraid to spank us if we acted out. But of course it was just a scare tactic, and it worked. There are so many memories, summers swimming, softball games, all of the holidays and embarrassing gifts from her. To the last time we saw each other.. you are truly missed and will always be in our hearts. Love you Auntie Sandy!*
